

Product Specification Report

1.1/03970001/1116

BIOPOWER TABS are used together with BIOPOWER CLEANER, for use in the BIOPOWER SYSTEM parts washer.

BIOPOWER TABS

Probiotic tabs

FEATURES:

Probiotic	Contains probiotics that regenerate the BIOPOWER CLEANER solution, increasing its efficiency.
Concentrated and effective	Each tab contains 20 billion Colony Forming Units, responsible for the degradation of: hydrocarbons such as oils, aromatic solvents (benzene, toluene, xylene, phenol) and chlorinated solvents.
Easy to use	Simply add one tab to the liquid in the BIOPOWER SYSTEM, to regenerate the liquid and maintain efficiency.
Neutralising	Prevents the formation of unpleasant odours in the tank.
Regenerating	Guarantees the effectiveness of the BIOPOWER CLEANER degreasing solution over a longer period of time.

APPLICATIONS:

Ideal for mechanical workshops, petrol stations etc. Designed to be used in combination with BIOPOWER CLEANER and the BIOPOWER SYSTEM parts washer.

SPECIFICATIONS:

Form Solid
 Colour Blue
 Odour..... Odourless
 Temperature of use..... 38 °C
 Net weight per tab..... 28 g

INSTRUCTIONS FOR USE:

Add one tab to the BIOPOWER CLEANER solution, in order to start the biodegradation process. Around every 4 weeks a new tablet should be added, depending on the frequency of use of the parts washer.

PRECAUTIONS FOR USE:

For more information, consult the MSDS.

All information in this document is based on our practical experience and/or laboratory tests. Due to the multiplicity of conditions for usage and variable human factors, we recommend that you always test our products for suitability prior to use. At any time, this version of the product specification report may have been revised based on legislation, availability of the individual ingredients or newly acquired information. The current approved version is available upon request.
