

Product Specification Report

1.1/25300001/1216

Thick, powerful and long lasting

LAVETTE

Lavatory and urinal cleaner

FEATURES:

Powerful	Removes many types of difficult staining, including limescale, iron and copper from above and below the waterline and under the rim.
Sanitizes	Removes the bacteria that cause diseases and unpleasant odours.
Preventive	When used daily, further build-up of stains and bacteria is prevented and washrooms are kept fresh and fragrant at all times.
Fast	Starts to work immediately on contact.
Safer	Suitable for use in lavatory bowls and urinals including all coloured ceramics and stainless steel.
Easy to use	Packed in handy squeeze bottles with a special directional jet.

APPLICATIONS:

Removes many types of difficult staining, including lime-scale, iron and copper from above and below the water-line and under the rim.

Prevents a build-up of scale, scum and bacteria that cause unpleasant odours and keeps drains flowing freely.

SPECIFICATIONS:

Form Liquid
 Colour Blue
 Odour Pine
 Density (20°C) 1.05 g/cm³
 Miscibility in water Soluble
 pH (20°C) ± 1.5

INSTRUCTIONS FOR USE:

Simply open the flip top and apply the product onto the surface or under the rim and allow to penetrate and re-move the stains.

PRECAUTIONS FOR USE:

For more information, consult the MSDS.

All information in this document is based on our practical experience and/or laboratory tests. Due to the multiplicity of conditions for usage and variable human factors, we recommend that you always test our products for suitability prior to use. At any time, this version of the product specification report may have been revised based on legislation, availability of the individual ingredients or newly acquired information. The current approved version is available upon request.
